

This is a detailed topographic map of a rural area, likely in Germany, showing a proposed railway line. The map features contour lines indicating elevation, a network of roads, and various land parcels. A dashed line runs diagonally across the upper portion of the map. A solid line with cross-ticks, representing a railway, follows a path from the left towards the center-right. Several parcels are highlighted in red and labeled with codes: W08 and W09 near Dittbergen; G03, H10, and H11 further east; and a large parcel labeled MOS near Meunxen. Other labels on the map include DITTBERGEN, Klein Libbeck, Klein Hamburg, Bruckfeld, Meunxen, and Besenborn. A north arrow is located in the lower right corner.
